CPS
Preference

After Preference requirements are met,
balance of class will be filled with candidates
who qualify in rank order from the final list.

After a list of qualified candidates is established by the City of Chicago Department of Human Resources, Candidate Firefighter or Paramedic classes will include proportions of each Preference group in their rank order within the final list. After those proportions are met, the balance of the class will be filled with qualifying candidates in rank order from the final list.

The above figure is only for illustrative purposes and not intended to define the proportion of each preference group represented in a CFD Academy class.
